

INTERNSHIP OFFER LETTER

Dear Likith Somanna CM ,

We are pleased to offer you the position of **Mern Stack Developer Intern** at **Ceeras IT Services**. After carefully reviewing your application, we are impressed with your skills and believe you will be an excellent addition to our team.

Responsibilities

As a Mern Stack Developer Intern, your responsibilities will include:

- Design and implement both frontend and backend components for comprehensive software solutions.
- Ensure seamless integration between various system layers by collaborating with cross-functional teams.
- Troubleshoot and resolve issues across the full technology stack to maintain system integrity.

Internship Details

Duration: 6 months | **Start Date:** 15 Feb 2025

Mode: Remote

Stipend: Unpaid (with the potential for a paid role based on performance).

Next Steps

Please confirm your acceptance of this offer by replying to this email no later than 14 Feb 2025. If you have any questions, feel free to reach out to us.

We are thrilled to have you on board and look forward to a successful collaboration!

Warm regards,

Akshay Kumar

Director of IT Recruiting & Trainings
